

Department of Space Science

SPACIANS EXTRA/CO- CURRICULAR ACTIVITIES (2014-2015-2016)

1. Arranged a study tour of the students of M.sc, M.phil & BS to Mangla power house dated (28th May 2016), **2016.**
2. Arranged a five days study tour of the students of M.sc & BS to Khanspur for astronomical observations (May 2016), **2016.**
3. Arranged a special Ceremony on 23rd March Resolution Day, at Space Science department, PU, Lahore, **2016.**
4. Arranged a special Event on Green Environment & Earth Day, at Space Science department, PU, Lahore, **2016.**
5. Organized an Annual sports gala of Department of Space Science, PU, Lahore, **2016.**
6. Offered a Fatiha/Dua for Prof. Dr Muhammad Saleem, at Space Science department, PU, Lahore, **2016.**
7. Our students attended the International workshop organized by UNESCO and PMD on “Standardizing Flood Forecasting and Warning Approaches in Transboundary Catchments”, (19-20 April 2016) Lahore **2016.**
8. Arranged lecture on RS/GIS Applications in Agriculture, at Space Science department, PU, Lahore, **2016.**
9. Our students attended in the World Quality Day at University of the Punjab, Lahore, (April 05-2016), **2016.**
10. Our students attended the Special Lecture arranged by Pakistan Engineering Congress, on Disasters, Lahore, **2016.**
11. Our students attended the launch of Punjab Gender Parity Report 2016 & Punjab Gender Management Information System organized by The Urban Unit and Punjab Commission on the Status of Women (7 March 2016), **2016.**
12. Our students visited a Pakistan Meteorological Department, a one day study visit, at Lahore Centre, **2016.**
13. Arranged a special ceremony on Kashmir Day, at Space Science department, PU, Lahore, **2016.**

14. Arranged in the astronomical observation, at Space Science department, PU, Lahore, **2014, 2015 & 2016.**
15. Arranged a special Lecture on Kashmir Issue, at Space Science department, PU, Lahore, **2016.**
16. Arranged a special lecture on GIS in Broader Health Initiatives, at Space Science department, PU, Lahore, **2016.**
17. Arranged lecture on Remote Sensing Monitoring of Water Quality, at Space Science department, PU, Lahore, **2016.**
18. Arranged special lecture on Effective Time Management, at Space Science department, PU, Lahore, **2016.**
19. Visited on a study tour of the students of M.sc & M.phil to Suparco Islamabad Campus dated (11th December 2015), **2015.**
20. Visited on a study tour of the students of Bs 6th & 8th semester to Suparco Kala Shah Kako Campus dated (10th June 2015), **2015.**
21. Arranged lecture on RS/GIS Applications in Water Resources, at Space Science department, PU, Lahore, **2015.**
22. Arranged special lecture on GIS/RS Projects working Methodologies/ Jobs in Middle East, at Space Science department, PU, Lahore, **2015.**
23. Our students attended the ceremony arranged by PEEF on Celebrating success of PEEF for reaching 100,000 scholarships at Awan-e- Iqbal Lahore, **2015.**
24. Our students attended 3rd Pakistan Urban Forum December (4-8, 2015) Lahore, **2015.**
25. Arranged an Inaugural Ceremony of First Aid Box by Spacians Health Club at Space Science department, PU, Lahore, **2015.**
26. Our students attended a two days ISNET/SUPARCO International Workshop on student satellite (02-03 Nov 2015) Lahore, Pakistan **2015.**
27. Arranged a seminar on Geospatial Business-Spatial Junctions NASA Projects, at Space Science department, PU, Lahore, **2015.**
28. Arranged the Special Lecture on the event Anti Corruption (Anti Corruption week December 7-11), at Space Science department, PU, Lahore, **2015.**
29. Our students attended the event to commemorate International Anti Corruption Day, organized by NAB Lahore, **2015.**

30. Arranged the debate competitions jointly organized by Department of Space Science & Department of Islamic studies, at Space Science department, PU, Lahore, **2015**.
31. Arranged and offered a Fatiha/Dua for Quaid Azam Muhammad Ali Jinnah Barsi, at Space Science department, PU, Lahore, **2015**.
32. Arranged a Commemorative Ceremony for Martyrs of Army Public School Peshawar, at Space Science department, PU, Lahore, **2015**.
33. Arranged Melad on account of 12 Rab- ul- Awal, at Space Science department, PU, Lahore, **2015**.
34. Our students attended National symposium on expanding horizon for information professionals. Challenges for education and training programmes IMS department PU, Lahore, **2015**.
35. Arranged one Day Seminar on Exploring Dust and Metals in Diverse Galaxies, at Al Raazi Hall CUGS, PU, Lahore, **2015**.
36. Arranged Lecture series on Extra- Galactic Astronomy (From Milky Way to Big Bang) at Space Science department, PU, Lahore, (19, 20 & 21 October),**2015**.
37. Arranged Lecture series on Extra- Galactic Astronomy (From Milky Way to Big Bang) at Space Science department, PU, Lahore, (26 & 27 October),**2015**.
38. Arranged special Lecture on Extra- Galactic Astronomy (From Milky Way to Big Bang) at Space Science department, PU, Lahore, **2015**.
39. Arranged special Lecture on cool dust in hot cosmos at Space Science department, PU, Lahore, **2015**.
40. Our students attended a World Space Week from (5-12 October 2015) at Suparco, Lahore, **2015**.
41. Our students attended a one Day Seminar on Role of Indigenous Cola in Solving Energy Crisis, organized by Centre for Coal Technology, at Al Raazi Hall CUGS, PU, Lahore, **2015**.
42. Our students attended a one Day National Seminar on Kashmir Dispute: The Past and Future and inauguration of Kashmir cell, arranged by Pakistan Study Centre PU, at Al Raazi Hall CUGS, PU, Lahore, **2015**.
43. Our students attended a one Day National Seminar on Kashmir Dispute: The Way Forward arranged by Pakistan Study Centre PU, at Al Raazi Hall CUGS, PU, Lahore, **2015**.

44. Arranged an inaugural ceremony of distribution of Space Mag 2014, at Space Science department, PU, Lahore, **2015**.
45. Arranged special lecture on Land Information system, at Space Science department, PU, Lahore, **2015**.
46. Organized an Annual sports gala of Department of Space Science, PU, Lahore, **2015**.
47. Arranged a special lecture on Earth Remote Sensing with Synthetic Aperture Radar (SAR), at Space Science department, PU, Lahore, **2014**.
48. Our students visited a Pakistan Meteorological Department, a one day study visit, at Lahore Centre, **2014**.
49. Our students attended and participated in 3–Days National short course on Global Tectonics and Pakistan at Institute of Geology P.U, Lahore, **2014**.
50. Arranged two days' workshop on CV formation, job hunting, and interview skills at Space Science department, **2014**.
51. Arranged two weeks short course on AutoCAD and GIS, at Space Science department, **2014**.
52. Arranged World GIS day **2014**, with collaboration of Urban Unit GOP.
53. Our students participated in techno spark at Institute of Chemical Eng. and technology, PU, Lahore, **2014**.
54. Nominated and our student got 1st position in interdepartmental National Singing competition at Al-Raazi Hall, **May 2014**.
